ORS does not object to the Applicant's request for additional time to provide further notice and to suspend/reschedule the remaining prefiling dates.

Thank you,
Lessie

Mr. Hearing Examiner-

As we discussed on a conference call with the Applicant, the Hearing Examiner, and the ORS a few minutes ago, the Applicant hereby requests that the deadlines in this docket, including the hearing date and the remaining prefile dates, be suspended/continued in order to allow the Applicant to undertake additional publication relating to the application.

Accordingly, the Applicant seeks leave to conduct additional publication, and requests that the Commission issue an additional notice of filing, containing a new return date.

The Applicant has discussed this matter with counsel for the ORS, and it is my understanding the ORS has no objection to this request.

Please contact me if you have any questions or need further information.
